Summary

I am a results-driven finance leader with over 22 years of experience driving financial strategy, compliance, and operational excellence across the IT, Power, Infrastructure, and Telecom sectors. Throughout my career, I've led large-scale finance operations, from budgeting, forecasting, and working capital management to statutory compliance, ERP implementation, and business transformation. I specialize in aligning financial insights with strategic goals, enabling executive teams to make informed decisions and optimize performance. Known for building strong teams and systems, I've consistently delivered cost savings, streamlined processes, and ensured regulatory alignment. Currently, I serve as AVP-Finance at Uclik Technologies, where I partner with the CEO to steer financial growth and operational discipline.
